STANFORD SIGMA NU ALUMNI NEWSLETTER

EDITION #6 – WINTER 2025

As we dive into 2025, we take a moment to reflect on the incredible moments and events that have defined our winter quarter so far at Sigma Nu. From vibrant celebrations and social events to moments of growth and connection, this quarter has already been filled with loads of lasting memories.

ARIZONA GOLF TRIP

Our Arizona golf trip was a perfect blend of camaraderie, competition, and relaxation. Brothers enjoyed a weekend filled with scenic rounds of golf, evening gatherings, and plenty of good times under the desert sky. From early morning tee-offs to friendly matches and unforgettable group dinners, the trip served as both a break from campus life and a great opportunity to strengthen bonds.

CLUB NU

The fall edition of Club Nu kicked off the new academic year with an electrifying night of dancing, lights, and high-energy beats. Our house was transformed into a full-scale club, complete with a packed dance floor, pulsating music, and an immersive atmosphere that had everyone celebrating late into the night. It was a perfect way to welcome both returning brothers and new faces, setting the tone for an exciting year ahead.

PUB NU

Our iconic Pub Nu event brought everyone together for an unforgettable night of music, camaraderie, and celebration. The room was packed with brothers and friends enjoying classic pub vibes, complete with British-themed décor, energetic chants, memorable sing-alongs and lots of Guinness!

UPCOMING EVENTS

GATSBY

SNULUM

SPOTLIGHT

This YC W25 cohort features three Sigma Nus! Brothers Pablo Bermudez and Tannen Hall are building the future of healthcare by cutting wait times with conversational AI agents at Paratus Health. Brother Arya Marwaha is using graph neural networks to connect top engineering talent directly to companies that need them at Contrario. Congratulations, and good luck to all of them, we're excited to see where things go!

ALUMNI

Reach out to Adrian at adrian25@stanford.edu if you're interested in speaking to current Stanford Sigma Nu members, either virtually or in person! It's a fantastic way to share your experiences and give back to our community!

- Brandon Farwell '04 giving a talk a while back to the house about Venture Capital and his early-stage VC fund Xfund
